The diagram shows four horizontal bars representing the distribution of the number of children per family. The top two bars are labeled 'B' and 'B' and have numerical values above them. The bottom two bars are unlabeled.

Bar 1 (top left): Labeled 'B'. Values above the bar: 9, 3, 4, 7, 8, 9, 9, 8, 7, 6, 1. The bar starts at 4 and ends at 10.

Bar 2 (top right): Labeled 'B'. Values above the bar: 1, 2, 7, 9, 9, 9, 9, 9, 8, 7, 1, 5, 9, 9. The bar starts at 7 and ends at 11.

Bar 3 (bottom left): Unlabeled. The bar starts at 4 and ends at 10.

Bar 4 (bottom right): Unlabeled. The bar starts at 7 and ends at 11.
